ERRATUM

Released: May 26, 1999

By the Chief, Video Services Division:

This erratum corrects a Notice of Proposed Rule Making (released May 21, 1999) concerning the above-captioned proceeding. The Notice proposed a DTV channel allotment plan advanced by eight television stations (KBYU-TV, KJZZ-TV, KSL-TV, KTVX, KUED, KULC, KUTV, and KUWB) located in the Utah market. The eight stations propose to co-locate on a new tower. In order to facilitate this joint tower plan, KULC, Ogden, Utah, is swapping its initial DTV Channel *34 for Station KUTV's Channel 35, Salt Lake City, Utah. The Notice did not identify this channel swap in the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules. Accordingly, the proposed amendment of the DTV Table of Allotments should read as follows:

<u>City</u>	<u>Present</u>	<u>Proposed</u>
Ogden, Utah	29, *34	*36, 48
Provo, Utah	17c, *39	29, *44
Salt Lake City, Utah	27, 28, 35 38, 40, *42	28, 34, 38, 40, *42, 46
